25th Annual Fellowship Conference

In 1988 some church members from Georgia decided to meet to discuss various topics that would help encourage and reinvigorate all who attended. The first meeting was held in Hardy, Arkansas and included topics such as Unity, Fellowship, Home Mission, and Foreign Missions. It turned out that the conference would be such a great success that a meeting

was planned for the next year. Since that time we have met every year at locations including Monteagle, Tennessee, Pennyrile, Kentucky, and Fort Payne, Alabama. We have had attendees from many different states and congregations and have also had people attend from Malawi.

As we begin our 25th year we also begin our experiences at a new venue, Lake Point State Park in Eufaula, Alabama. This facility offers lodge

The Optimistic Christian

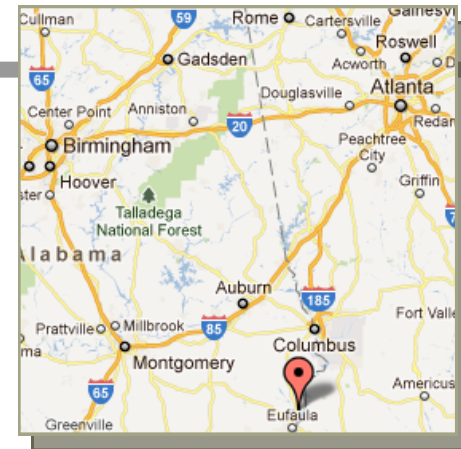

The topics for this year's conference center around the theme of "The Optimistic Christian." It is our hope that the topics will bring a new or revived outlook on many aspects of ourselves. Having a positive outlook requires an all encompassing approach that includes spiritual life, home life, and work life. Without including each of these it is impossible to truly be a positive person. The topics that you will hear at these

meetings may be focused on one of these areas but they could be applied to all of them. Hopefully this will be a time to encourage a positive approach to everything that we do.

We will begin with a worship service on Wednesday evening, June 27 at 7:00 PM Central Time. After the service there will be desserts served at a separate location for those who wish to attend. Our meetings will begin the following morning with a welcome and check-in time at 8:30 AM Central. During Thursday's session we will meet during the morning and afternoon. Following this there will be a short break and then we will all get together for our annual cookout and singing. Friday's sessions will only take place during the morning. A more detailed schedule will be given out at the first session.

rooms, cabins, cottages, and camping. It has a wonderful lake for fishing, a golf course, and most importantly a meeting room that can accommodate our needs as we come together.

We hope that you will consider joining us for this very special year as we celebrate the past and look to the future. Please see below for reservation information.
